# What Happens During a Live Session?

The screenshot displays a live event interface with the following components:

- Top Navigation:** Home, Attendees, Program, Exhibitors, Speakers, Map, Products, Chat rooms, My visit.
- Left Sidebar:**
  - Apple - Announcing the new iPhone, Apple Watch and iPad for next year** (09:00 AM - 09:30 AM) with a red circle '6' next to it.
  - Next sessions** (with a red circle '6' next to it):
    - How to boost your ROI through our Platform? (Friday, December 9, 2021 - 08:00 AM)
    - Our Event Team For On Site & Off Site Support (Friday, December 9, 2021 - 09:00 AM)
    - Artificial Intelligence & Matchmaking (Friday, December 9, 2021 - 09:30 AM)
    - Use our Widgets to Display the Information on your Website (Friday, December 9, 2021 - 11:00 AM)
    - Can we detect cancer before it strikes? (Friday, December 9, 2021 - 03:00 PM)
- Main Content Area:**
  - Video Session:** A video player showing a speaker with a Google logo. A red circle '1' is next to the title: **Apple - Announcing the new iPhone, Apple Watch and iPad for next year**.
  - Event Details:** Thursday, October 10, 2019 - 09:00 AM to 09:30 AM, Hall 1 - Main stage, Conference, Energy, Mobility.
  - Case study:** A red circle '2' is next to the title.
  - Exhibitors:** Apple (Platinum, Booth 02), Intel (Gold, Booth 09), BNP Paribas (Silver).
- Right Sidebar:**
  - Live discussion:** 21 people joined. A red circle '3' is next to the title. It shows a chat with a question: "subject really interesting! I'm glad to attend to the live stream." and a poll: "Hello John, welcome to this discussion! Feel free to ask your questions to the speaker during the live stream, he'll answer you as soon as he can. Oh and don't forget to upvote the questions you find interesting, popular ones will be easily accessible for him." with a red circle '4' next to it.
  - Question:** "Can you give us a quick definition of blockchain please?" with 29 votes and a red circle '4' next to it.
  - Poll:** "What is the best definition of Blockchain among these below?" with a red circle '5' next to it.
  - Register to the session:** A button to register and un-register from the session.

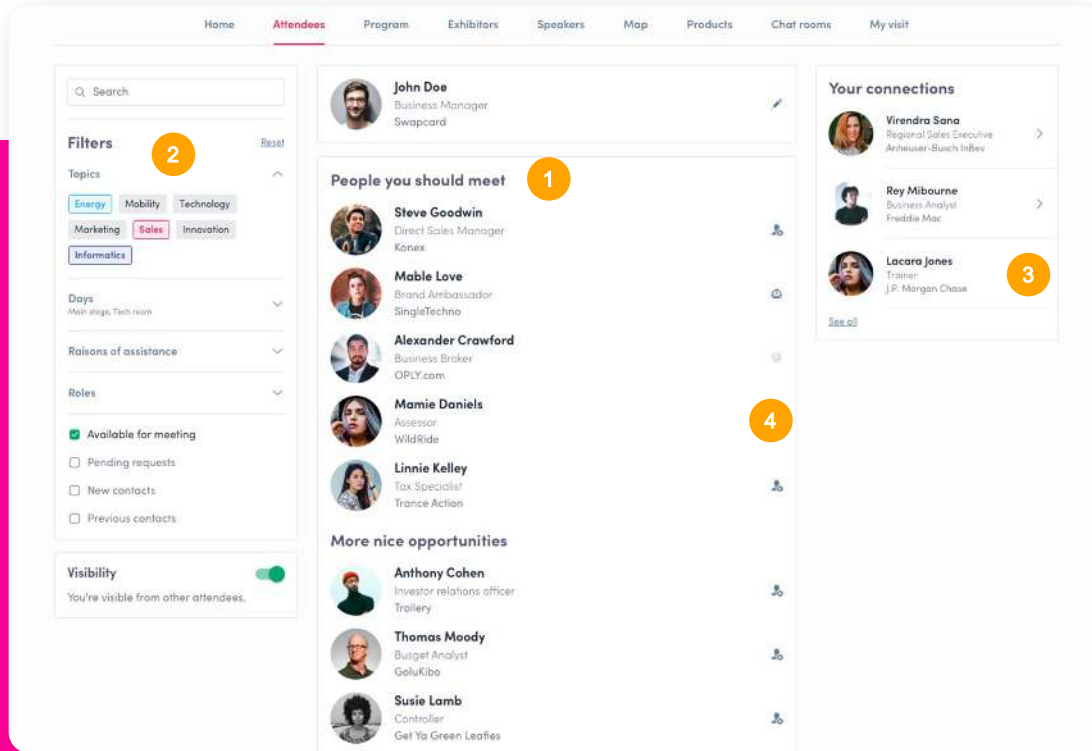

- 1 This is what a live session will look like
- 2 See companies who are associated with the session
- 3 Engage with speakers and other attendees in real time
- 4 Ask speakers questions in a live Q&A
- 5 Respond to speakers polls and see live results
- 6 See upcoming sessions and track the session duration

# How Does Virtual Group Networking Work?

# How Does Virtual 1-1 Networking Work?

- 1 AI recommends people to meet based on mutual interests
- 2 Advanced filters to help connect you with the people you want to meet
- 3 Chat with anyone at the event
- 4 Schedule virtual meetings

# How Do Private Virtual Meetings Work?

The screenshot displays a Google Meet interface with several components:

- 1 Meeting reminder notifications:** A notification card on the left titled "Meeting reminder" with a "JOIN CALL" button.
- 2 Start live video calls with other attendees:** A video call window showing a man in a suit with a "JOIN" button.
- 3 Share documents:** A chat message containing a document icon and the text "case-study.pdf".
- 4 Add notes, ratings, tags from your conversations:** A "Note" section on the right with a "Note" button and a "Scoring" section with a "Scoring" button.

- 1 Meeting reminder notifications
- 2 Start live video calls with other attendees
- 3 Share documents
- 4 Add notes, ratings, tags from your conversations

# How Do Virtual Exhibitor/Sponsor Booths Work?

The screenshot displays a virtual exhibition booth for Amazon. The interface includes a navigation bar at the top with options like Home, Attendees, Program, Exhibitors, Speakers, Map, Products, Chat rooms, and My visit. On the left, there's a sidebar titled 'Discover more companies' listing various brands like Facebook, YouTube, Samsung, Orange, and Toshiba. The main content area features a large video player showing a presentation with a play button and a '1' in a yellow circle. Below the video is the Amazon logo and name, with a 'Book a meeting' button and a '4' in a yellow circle. A meeting schedule for Thursday, July 26, is shown with time slots from 09:00 AM to 02:30 PM. Below the schedule, there's a 'Products' section displaying Huawei P30 and iPhone X. At the bottom, there's a 'Sessions' section with a session titled 'Towards a zero-emission driverless collaborative mobility?' and a '6' in a yellow circle. On the right side, there's a 'Highlight Amazon' section with buttons for 'TALK NOW', 'BOOKMARK', and 'BOOK A MEETING'. Below that is a 'Chat with Amazon' section with a message bubble and a '3' in a yellow circle. At the bottom right, there's a video call window showing a man in a suit with a '2' in a yellow circle. A '5' in a yellow circle is also present near the Huawei P30 product image.

- 1 Watch company videos and download information
- 2 Start a live video call with booth staff to learn more about them
- 3 Live messaging with booth staff
- 4 Book a meeting with the company at a time that suits you
- 5 View their products & services
- 6 See any session they're involved with throughout the event
